Pledge  
Of Allegiance

"I pledge allegiance to the  
flag of the United States of  
America and to the Republic  
for which it stands, one Nation  
under God, indivisible, with  
liberty and justice for all."

The services of these people keep our school running smoothly throughout the day. They drive our school buses, cook our meals, keep the office proceedings running efficiently, and clean our school building. The school could not possibly function properly without them.

Ballet dancers, musicians, tiny tots, bells, bakers, castle choir, jesters, gift bearers, snowmen, icicles, and stars also had a part in the operetta.

### STORY

The princess Maria is tired of expensive gifts, and explains to her father, the king, that this Christmas she wants something different. He tells her just to name it, and whatever she wants he will get. But she doesn't know what she wants, so there is a family scene, during which a small child slowly enters. Upon questioning him, Maria learns that his name is Billy, and that he has come to see his little blue angel, which always appears at the top of the tree just at midnight. The Christmas festivities are held and the princess and Billy have a wonderful time together. After the festivities, Billy and Maria creep downstairs, and find the king asleep. The angel comes, and in a song tells Maria that Billy is the Christ Child. The king awakens, and he, too, sees the angel. When they look for Billy, he is gone.

# Freshmen Enter School Activities

The Class of 1965, now only beginning the thrills, chills and spills of their adventuresome high school years with approximately forty-five members have made their freshmen year a prosperous one. They have sold candy and served refreshments at football and basketball games to profit their class. The freshmen class can certainly look forward to a rewarding future.

# Preparatory Juniors

JUNIOR OFFICERS--LEFT TO RIGHT: V. Pres. Gary Helbert, Sec. Cathy Huber, Advisor; Mrs. Zody, Treas. Nicki Mott, Pres. Larry McClure.

The Junior Class play and planning and decorating for the Prom, have kept the Junior Class, the Class of 1963, happy and busy. Besides this they have sponsored many money making projects, among these were making and selling cider, selling address labels, running the Junior Supply Shop and serving refreshments at football and basketball games. If this class thinks they were busy this year, wait until they are Seniors.

# Academics

# Academic Life is a Momentous

Although the Latin Class is comparatively smaller than other classes at H.H.S., the students had a special treat this past year never before experienced by any class at Hayesville.

After studying the clothing, food and general way of life of the ancient Romans, the eight Latin students and their advisor, Mrs. Margaret Zody cooperated with the French class and presented a Latin-French dinner. The students ate food similar to that eaten by the Romans, and dressed in costumes copied from the Roman clothing, as can be seen in the accompanying pictures.

The life of Julius Caesar was the main course of study for the Latin II students, many stories of mythology, the Roman Empire and great Roman writers were also studied.

Learning the language of our French neighbors is made easy and interesting by Mrs. Garling. Not only do these students learn how to speak the French tongue, but they also learn the history of France and many mythological stories. The French-Latin dinner in March was the biggest class project this year. Each student contributed his part to the entertainment of the evening in French.

Cindy Baker, a French student, placed First in the District and Second in the State in the Scholarship test on French.

# Part of Hayesville High School

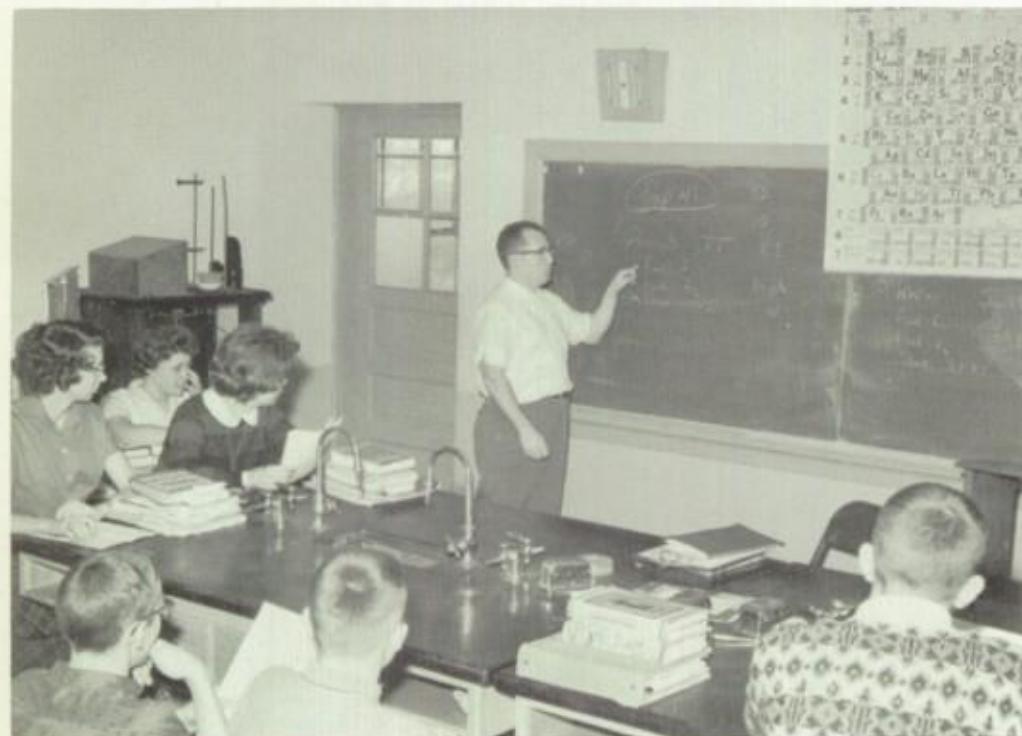

Learning the history of our wonderful country is made easy and interesting by Mr. Cox. Wars, famous men, important dates, etc. are a vital part of this course. Debates, field trips, film strips and special reports are only a few of the many ways the pupils learn the past of our wonderful country in American history classes.

Every student at Hayesville High School was required to take English this year, either from Mrs. Marble or Mr. Potts, depending upon his or her grade. English grammar and English literature were studied by every class. Many famous plays and playwrights were studied in English literature, and some classes dramatized certain plays. David Copperfield, Caesar, and Macbeth were some of the famous stories studied by high school students.

# Students Quite Often

Probably the dissection of frogs, fish, grasshoppers, and earthworms is the most interesting part of biology. Mr. Harner has many ways of explaining this course so that no one ever forgets. The field trip to Cleveland Health Museum and the leaf and bug collections are two of the highlights of this course.

One of the most advanced science courses taught at Hayesville is chemistry. Many types of experiments with acids, gases and other elements make this course a most interesting one. Mr. Carr, who teaches chemistry, guides the class through this difficult but rewarding course.

## Learn By Doing

EVER DISSOLVE A PENNY? Mr. Leimbach's seventh grade science class did. That an ordinary copper penny could be dissolved in Coca-Cola, shocked the school. Think of what our stomachs look like! Shown here performing the delicate operation are D. Moody, P. Kosse, Mr. Leimbach, R. Helbert, and H. Jones.

### AND WE'RE OFF!

Hayesville's driver education class produced many good drivers this year. Shown here are Mr. Leimbach, P. Amend, B. Sparr, and D. Harned.

# Ability Deserves Recognition

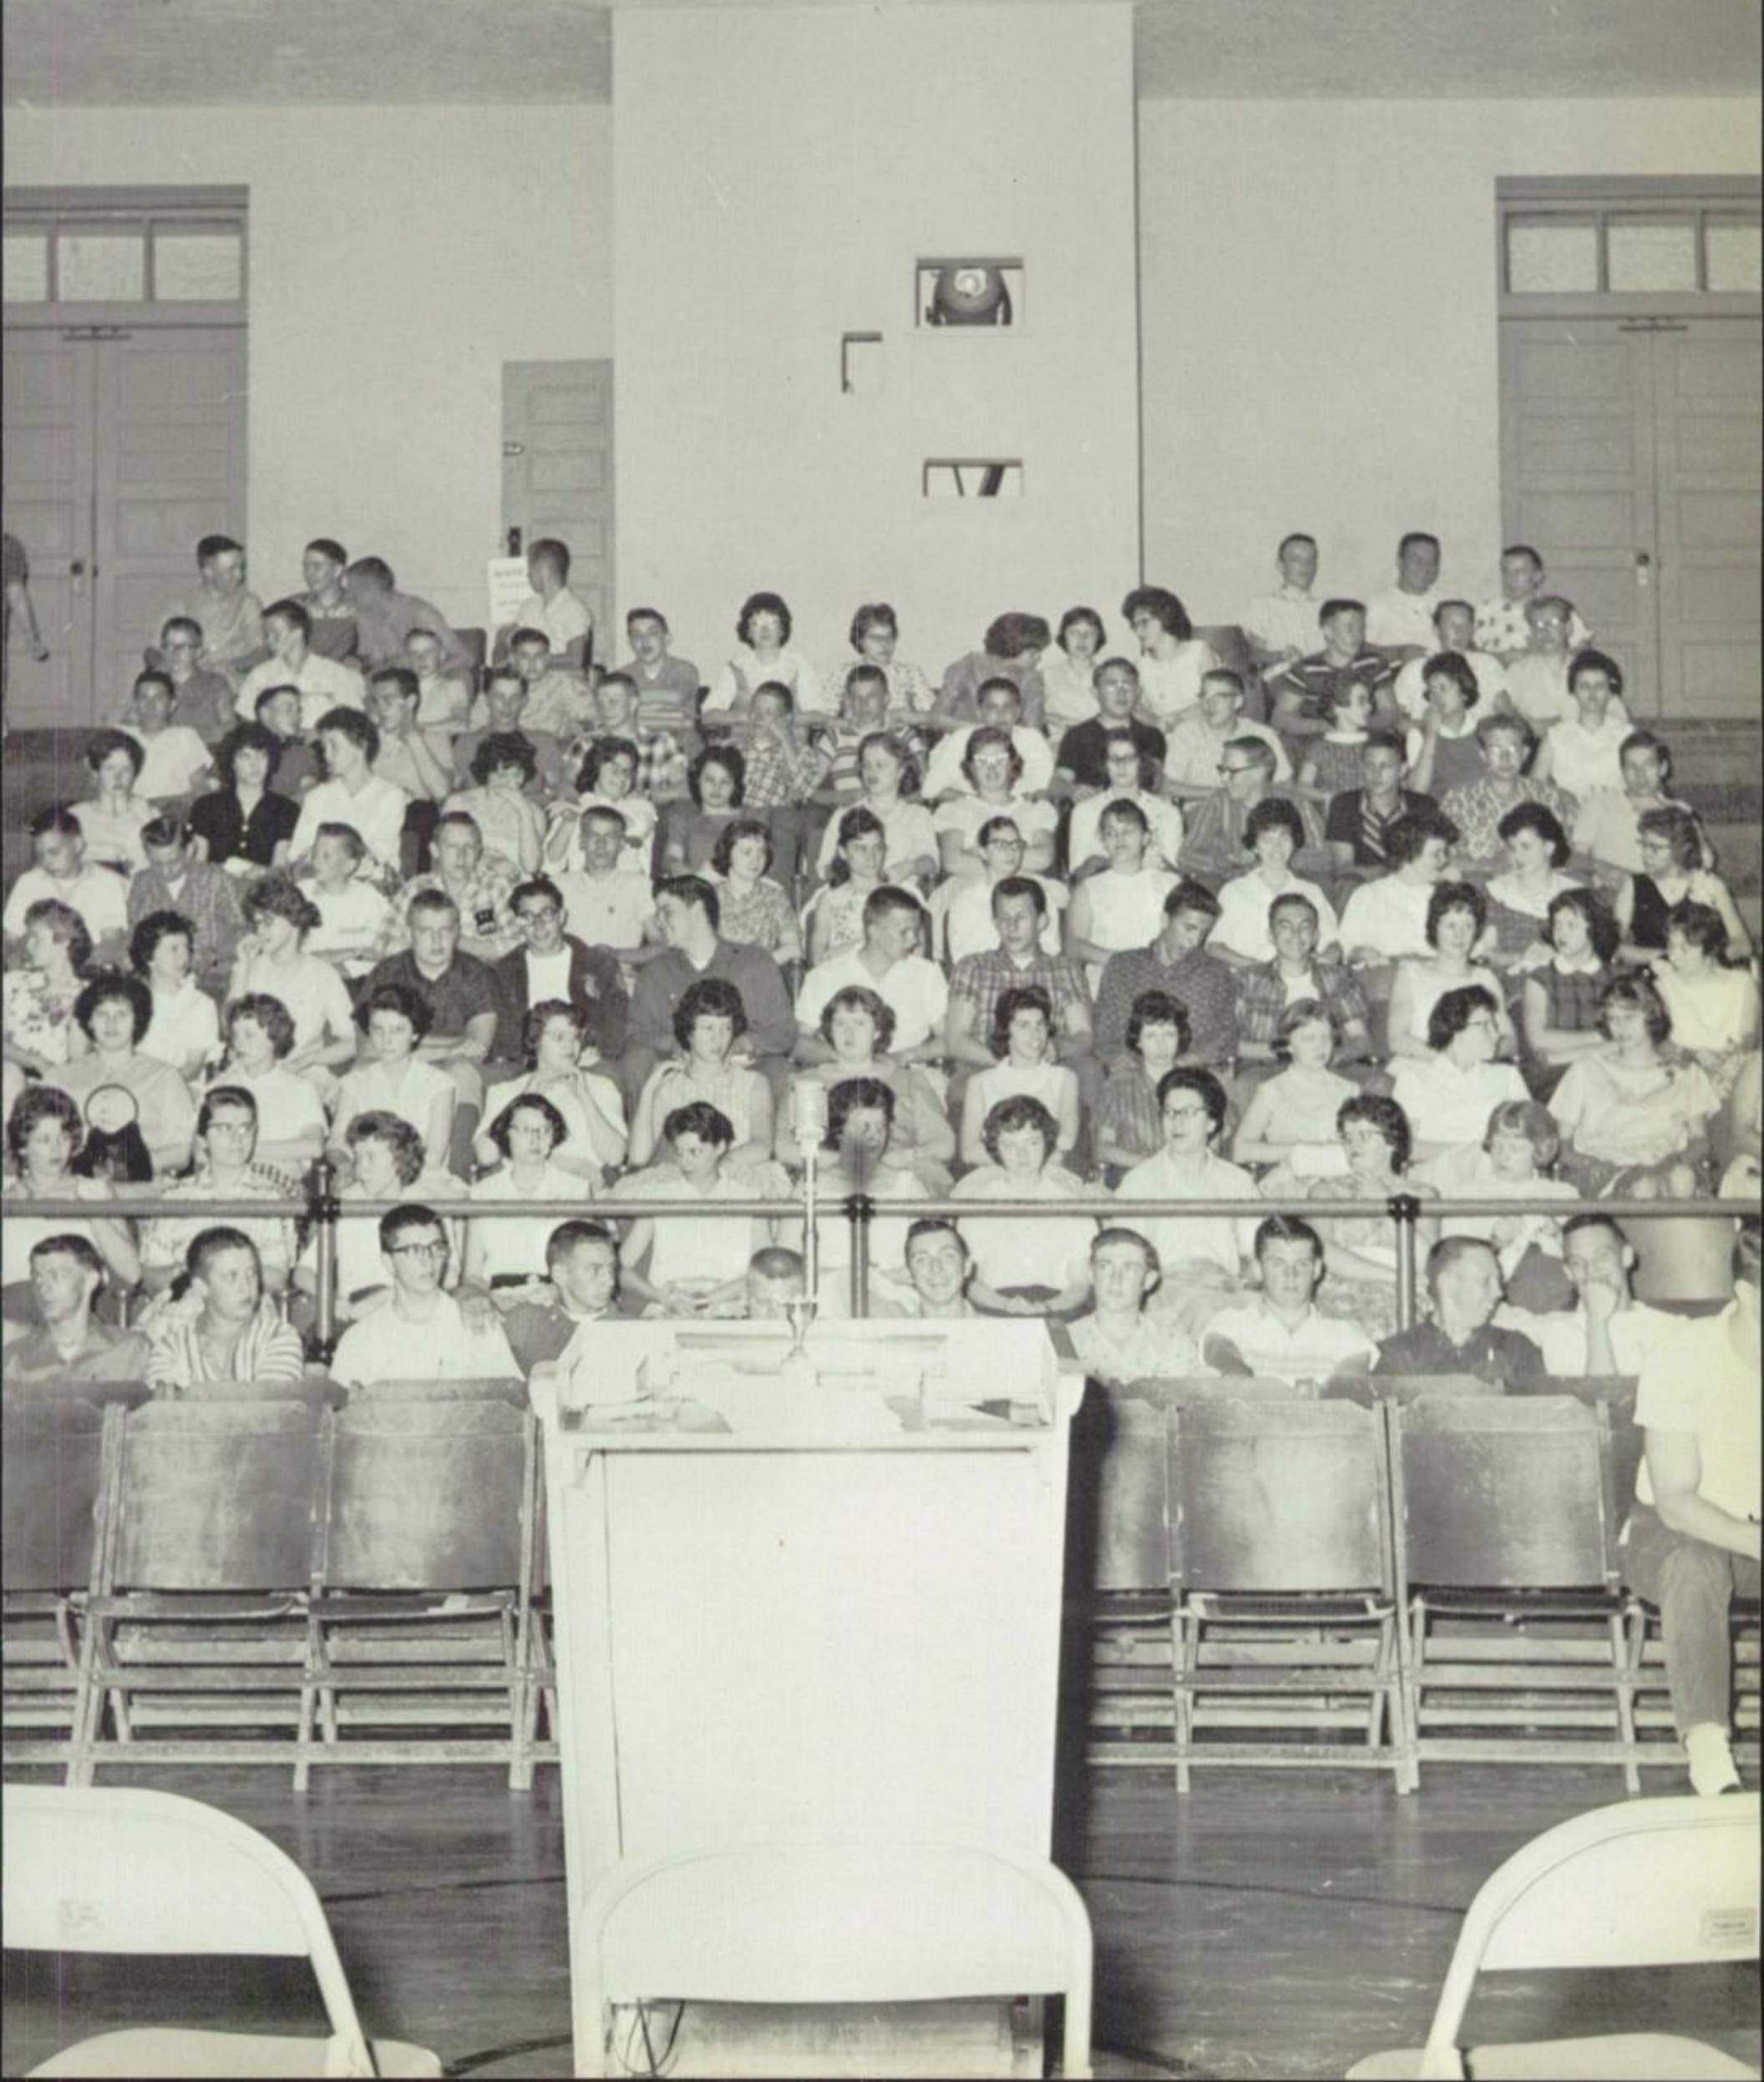

"How can I possibly remember where all those letters are?" These are the words that go through the minds of almost every typing student when he enters his first class. But every student soon learns this isn't nearly as hard as it seems. With Mrs. Garling near to guide and direct, the classes learn the basic rules first and are soon typing letters, manuscripts, and tables.

Under the instruction of Mrs. Zody, home economic girls at Hayesville learn the arts of homemaking. Sewing and cooking are the two main parts of this two period course. Menu-planning, interior decorating, flower arrangements and many other of the domestic fields are also studied by these Future Homemakers of America.

SECOND ROW: Dan Parker, Pres.; John Smith, Dean Moody, Larry Brightbill, Frank Mills, Dave Seiss, Don Jones, Larry Mutchler -- Advisor Mr. Gene Yeater.

The Student Council consists of a group of students, selected from each class. The purpose of this organization is to work together to better our school. Guided by their advisor, Mr. Yeater, the Student Council represents the student body in many ways. Being in charge of the Homecoming Dance and refreshments for football and basketball games are ways in which they have earned money for their school projects.

This organization along with many other services sponsored the Hillsdale Rollerskate, held at Mansfield to which both Jeromesville and Hayesville Schools were invited.

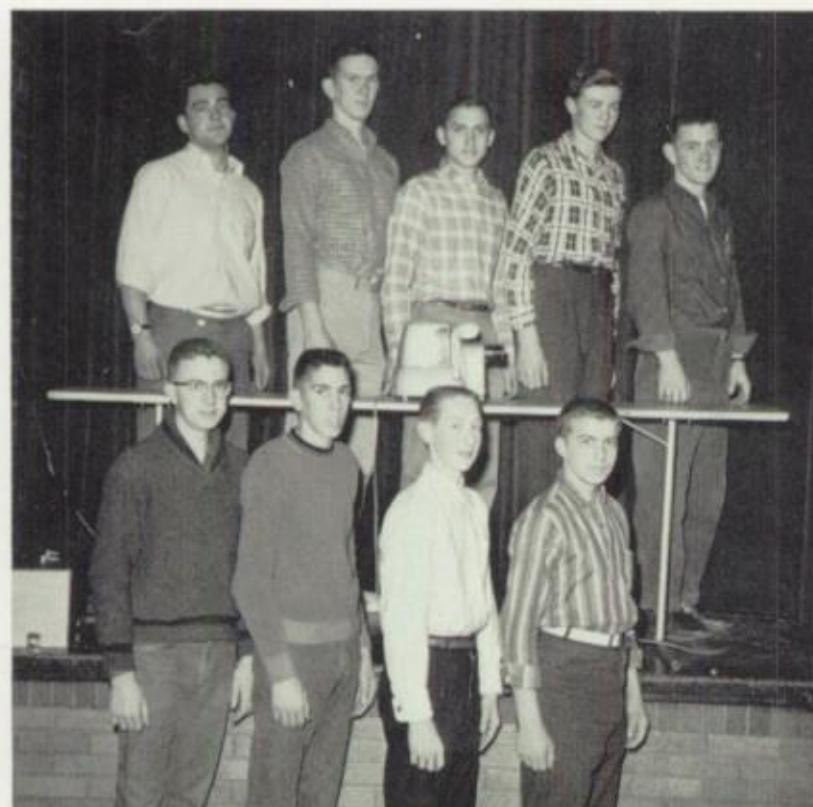

# National Honor Society

The object of this chapter is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in students of HHS. All members must have a scholarship average of 3.25. All Students who rise to or above this are admitted to candidacy for election to membership. Eligibility is then considered on their Service, Leadership, and Character.

# A Very Active Chapter

President Dick Jones and Vice-President Dave Seiss view past achievements.

Mr. and Mrs. Howard Seiss and Mr. and Mrs. Roger Jones were received as Honorary Chapter Members at the annual FFA Banquet.

The year beginning June 1, 1961, and ending May 31, 1962 has been very interesting, challenging, and profitable for the 20 members of the Hayesville Chapter of Future Farmers of America. The activity started in July when Dave Seiss, Bill Jackson and Dick Jones judged beef cattle on Hereford Day held in Huron, Ohio. They placed 7th in that contest. Work started early in August for the State Fair. Three members, Dave Draper, Jim Goard and Jack Markley, took honors with their dairy projects. Dave Seiss won first place on a shop project. The Chapter received Grand Champion on their educational exhibit, winning \$125. The same booth received a blue ribbon at the Ashland County Fair.

The highlight of the year came in October when five chapter members and their advisor attended the National FFA Convention in Kansas City, Missouri. Fair earnings and crop projects helped finance the trip for the boys. Other activities during October, November and December were the scrap drive, rat poison sale, soil sample contest, and corn picker safety campaign. In December the annual FFA Banquet was held. One hundred and three FFA members, parents, and guests were present. Jerome Donovan, a past National officer, was the guest speaker. After January 1 the chapter started to summarize its activities and prepare for the evaluation held in March, at which time all chapter, chapter activities and State Farmer applications were evaluated. At this meeting the Hayesville Chapter received a Superior rating, the highest possible on the state level. Jack Baker, the chapter reporter, received a gold rating on his reporter's book. April 27 & 28 was the State FFA Convention. The Chapter delegates were Jim Goard and Jack Markley. At the Convention Dick Jones received the State Farmer Degree. The Chapter members planted 4,000 trees during April.

State judging contests were held May 12. Hayesville entered a Dairy team, a General Livestock team and a Meat team. The Dairy team placed 8th of 259 teams, Jack Markley was 18th high individual, other members of the team were Jim Goard and Dave Draper. The Meat team placed 2nd out of 101 teams entered for the second time in two years. Dick Jones and Dave Seiss were 3rd and 4th individuals respectively. The last week of school the members built and erected four new signs welcoming people to Hayesville.

The 1961-62 Panthonian Staff of Hayesville High School has toiled greatly to make this edition of our Panthonian the best. They have had advertising drives, sold pecans and sponsored a dance in order to receive enough money to pay for the yearbook. The staff, along with their advisor, Mrs. Petty, has added many new ideas to the yearbook and improved other older ideas. It is their goal, as was and will be the goals of past and future staffs, to make our Panthonian supreme to all other school annuals.

Hayesville High School's school paper, entitled the Ink Spot, is a bi-monthly newspaper which contains accurate statistics, jokes, sports, all types of news, special editorials, etc. The Ink Spot staff, consisting of high school students, led by Mrs. Garling, their advisor, strives to make the Ink Spot the kind of school paper that high school students want and enjoy.

When Grandma Simms comes to visit her daughter, she finds a situation not to her liking. It seems her daughter has become a social climber and has acquired a stolen picture on her way up. To add to the excitement, a criminal was mistaken for Cousin Oscar who was actually a canary bird expert. Grandma gets out her trusty old shotgun and settles all the mixups and helps the Abbott family find the happiness jackpot.

# Junior-Senior Prom and Banquet

"Drifting and Dreaming"

On May 18, 1962, we had our Junior-Senior Prom, which started with a banquet in our cafeteria.

After the banquet, we drifted into the gymnasium, for three hours of dreamy dancing.

To help develop the theme of our prom, a castle was built. This was to represent the castle in our dreams.

After awhile we began to watch more than dance. As the couples floated by, we floated with them along the starlite atmosphere.

The Sophomores served at the Banquet and Prom.

# Sweetheart Dance

On February 10th many radiantly dressed students and adults enjoyed dancing from 8-11 p.m. in a cupid's hideaway touched with red and white which was transformed from the school gymnasium. Tim Workman's Orchestra provided the music for this Semi-formal Sweetheart Dance, sponsored by the Panthonian Staff. The dance proved enjoyable to all as is clarified by the lustrous looks (or is it romantic looks?) of the couples in the accompanying pictures.

# Athletic Banquet

Danny, Gary, and Dick received high awards in basketball.

The Junior Varsity received a letter H for playing basketball.

The Varsity squad received a large H for playing basketball.

The Junior Varsity Cheerleaders received H's for 1961-1962 cheerleading.

The Varsity Cheerleaders received a large H for cheerleading.

## Class Of 1962

### Graduation

CLASS MOTTO: Today's Work Forms Tomorrow's Future

CLASS COLORS: Royal Purple and Lavender

CLASS FLOWER: Orchid

Having reached their graduation goals ----- the seniors now plan to go out into the world on their own. The senior play, the prom, the alumni banquet, senior pictures and finally graduation all combined to make the 1961-62 school year a most exciting one for the seniors. Selling candy, cake auctions and sponsoring dances are only some of the means by which the seniors earned money for their long awaited senior trip to Washington D.C.

Although the seniors have left H.H.S., never to return, they will linger long in the minds of teachers and students ----- memories both good and -----.

# Senior Class Trip To Washington D. C.

Below are just a few of the many sights which the seniors viewed.

The Capitol Building

The Washington Monument

The 'changing of the guards' at the Tomb of the Unknown Soldier.

# In Appreciation

We express our sincere appreciation to Mrs. Helen Petty for her encouragement and advice in preparing this yearbook.

Panthonian Staff

To Smucker's Studio for their excellent photography and co-operation we express our sincere thanks.
